12. USING THE FACEBOOK, INSTAGRAM, YOUTUBE AND VIMEO PLUGIN

We use plugins from the Social media providers on our site. If you use those features and especially the “follow” function, the providers links your account to the websites you visit. This is announced to other users on Social media providers, in particular your followers. In this way, a data transfer to Facebook, Instagram, Youtube and Vimeo also takes place. We have no influence on the data that they collect with the help of the plugins, nor on the scope of the data collected by them. To the best of our knowledge, Social media providers collects the URL of the respective website accessed and the IP address of the user. 14. GOOGLE WEB FONTS

We use so-called web fonts provided by Google (Google Inc., 1600 Amphitheatre Parkway Mountain View, CA 94043, USA) on our website for the uniform display of fonts. When you call up one of our pages, your browser loads the required web fonts into your browser cache in order to display texts and fonts correctly. For this purpose, the browser you use connects to the Google servers. This enables Google to know that our website has been accessed via your IP address. Google Web Fonts are used in the interest of a uniform and attractive presentation of our online offers. This is where our legitimate interests lie, which serve as the legal basis for data processing. If your browser does not support Web Fonts, a standard font is used by your computer. Further information about Google Web Fonts can be found at <https://developers.google.com/fonts/faq> and in Google's privacy policy: <https://www.google.com/policies/privacy/>
